Antonio Banderas perfume new launch in Serbia

Antonio Banderas The Icon

A wave of freshness in the top note is given by an exquisite mix of Italian citrus intensified with black pepper to show its most bright and luminous facet.

Elegant blend of lavender and sage oil at the heart strengthened with aquatic violet leaves, to magnify the masculinity contrasted with a combination of woods and sensual tonka beans, dressed in a powerful oakmoss facet to add personality.

Antonio Banderas Her Secret Bloom

Mysterious and hypnotic Tuberose flower heart where femininity and sensuality blends enhancing the luminosity and transparency of the fragrance.

In contrast, the darkness of saffron at the top note increases the personality and originality.

At the bottom note, sandalwood and tonka seduce and extend the long lastingness.
